Feller Buncher ..... JD743, 743A  
Loader..... 644C  
Scraper..... 762A, 762B  
Skidder..... 740A

It is strongly recommended that these vibration dampers be replaced every 3,000 hours and during engine overhaul.

Failure to replace worn or damaged vibration dampers may result in crankshaft breakage and related damage.

(Replaces JD AR57241, JD AR102218)

### NAH130127 Fuel Pump

This electric fuel pump is used on **ALL** John Deere® Combines to move fuel from the fuel tank to the engine, which is normally on top of the combine.

(Replaces JD AH130127, AH107362, AH80665)

### NAR86535 Selective control valve poppet

Stock up and save, special pricing on purchases of 24 or more.

(Replaces JD AR86535)
