## Crankshafts

Endurance Power Products carries a full line of new and ground crankshafts.

All new crankshafts are made of forged steel. This insures crack resistance, even under the heaviest loads. Every crankshaft is functionally equivalent to OEM specifications.

We have a wide range of coverage and are committed to supplying the highest quality crankshafts available. Call today or check out our list on our website (listed on the 'News' page)

## Crankshafts for the following manufacturers:

Allis/Fiat - Case/IH - Caterpillar - Cummins - Deutz - Ford - IH/Navistar - John Deere - Komatsu Massey Ferguson - Perkins - Oliver - and many more.
