Pre-Season Air Conditioning Program

Our Pre-Season program will start April 15, 2006.

Take advantage of the opportunity to receive a quantity discount on your order, and lock in that discount for the Summer. Look for our upcoming flyer, or call and ask for details.

We have added to our inventory of compressors. Our inventory now also includes compressors and accumulators for pickups and other light-duty trucks.

Automotive - Agricultural - Industrial - Truck

We carry a full line of components:

Compressors, clutches, driers, expansion valves, seal kits, condensers, switches, evaporators, blower motors, hose assemblies, fuses, fittings and more

No matter what your application is, chances are we have the part to keep your customers cool. Install OEM equivalent parts and save money.

Distributor for FJC Air Conditioning Products

FJC, Inc. supplies the aftermarket and original equipment segments with superior quality parts and outstanding customer service.

These two very important goals have helped position FJC in the forefront of air conditioning suppliers in the United States today.

FJC, Inc. is a basic manufacturer of refrigerant oils, fluorescent leak detection dyes, o-rings and gaskets, repair tools. With facilities located in Mooresville, NC, FJC provides traditional warehouse and tool supply specialists with the latest and most current requested items used in the automotive repair market today.
