New and Remanufactured Cylinder Heads

We stock most makes & models of diesel engine cylinder heads, bare or complete.

All tolerances are brought to factory exact specifications. Only the highest level of component parts are used.

Endurance Power provides a head that your customer will have confidence in, backed by the best warranty in the industry. Same as factory, but a fraction of the cost. We save you big bucks.

Another advantage - our 'cracked core' no hassle core charge.

There are no hidden charges if we are able to rebuild your core.

New and Remanufactured Turbochargers

We have expanded our in-stock inventory of New and Remanufactured Turbochargers.

We have turbochargers available for most makes & models of diesel engines.

Applications covering Caterpillar, Cummins, Detroit, International, John Deere, Komatsu and many more.

Endurance Power provides a turbo that your customer will have confidence in, backed by the best warranty in the industry.

Remanufactured parts cost 50% to 70% of new parts. Now you can reduce your cost of turbo replacement and increase your profits.
